December Arrangements

Please take note that the last day for lodgement for registration by the 21st of December is the 12th of December (7 days turnaround times)

All deeds lodged between the 13th and the 21st of December might only register on the 2nd of January 2018, unless “put forward” is requested in exceptional cases.

Deeds on prep between the 21st of December 2017 and the 2nd of January 2018 will **not** be rejected automatically by the system, as measures have been put in place to accommodate for this situation, however corrective maintenance will be granted if deeds are rejected for this reason.

There will be no lodgement or registration on the 22nd of December as the office will close at 10:00 on the day.

For any queries contact any deputy on the 4th floor.
